Dear Maheswaran,

Thank you for trusting us to design the logo for Deeksha Chess Academy. The final logo, showcasing the "D" styled as a knight chess piece with clean, professional typography, has been delivered to your email maheswaranpalsamy@gmail.com via Google Drive.

We are confident that this logo will serve as a powerful symbol of your academy's values and mission. It has been a pleasure collaborating on this project, and we look forward to your continued success.

Thanks and best wishes
